

Scherich's School Pre-School Division To Be Opened in Area

Scherich's South Bay School is to provide each child with those developmental patterns and experiences which help to ensure a happy, well adjusted child who will feel security and love along with the schooling.

Purpose of the new division is to provide pre-school children with those experiences which will prepare them for the academic pressures which exist in all schools, Scherich explained.

Although Scherich's School is designed especially for children with problems, the new division will be geared to accommodate all children. "The child is not made to fit into a program for which he is not ready. Each child is taken as an individual with his own uniqueness and we try to expand into a total personality," Scherich said.

"SOME CHILDREN may benefit from a complete daily program while others may be only able to profit from this experience a few hours each day, or possibly two or three days per week—whatever the child can handle is what the child gets," he added.

This program will differ from a typical pre-school operation because many of the frills will not be offered. The prime concern at Scherich's

with those developmental patterns and experiences which help to ensure a happy, well adjusted child who will feel security and love along with the schooling.

"There will be no foreign languages offered because English is enough of a challenge for any child," Scherich said. "What will be offered is a program developed with the understanding of child growth and development both emotionally and educationally."

ACCORDING to Scherich the important job of a pre-school is to develop the senses, visual perception, auditory perception, tactile perception, and kinesthetic perception along with the muscular growth and development which leads to a child who is able to perceive, grasp, and comprehend the academic program required for a successful experience in regular school.

In order to provide the best in pre-school programs the enrollment will be limited to 10 children. Parents who are interested in the pre-school program should contact Scherich's School.

Chadwick Selects Leaders

Steve Donnell has been elected president of the student body at Chadwick School in Rolling Hills Estates for the 1967-68 school year.

Other officers include Chris Bayer, vice president; Mike Krall, secretary-treasurer; Stanley Lim, parliamentarian; and Cindy Conway, president of the student development committee.

Class presidents serving on the student council include Jim Schaeffer, senior class; Laurie Tullock, junior class; Matt Diston, sophomore class; Steve Hayes, freshman class; Gus Sartorius, eighth grade; and Forrest Jones, seventh grade.

Carlos Lanzillotto, an exchange student from Argentina, is an honorary member of the council.

'Camelot' Showing Planned

More than 1,500 invitations have been mailed to parents, alumni, and friends of Chadwick School for the school's benefit showing of the motion picture "Camelot."

The gala black-tie affair will be held Monday, Nov. 13, at the Cinerama Theatre in Hollywood. A petite buffet and champagne reception will be held before the performance.

Mrs. Robert F. Lande is arrangements chairman. The performance will benefit the school.

The \$13 million production stars Vanessa Redgrave, Richard Harris, and David Hemmings.

Fall Lecture Series Opens Here Monday

"The Land and the People" will be the topic of the first in a series of illustrated lectures on "England and Spain Revisited" to be presented by Bill Sanford and Carl Green, photo-journalists.

Scheduled for 7:30 p.m. Monday in the Torrance High School auditorium, the lecture will deal with the social classes, way of life, educational systems, economic and political development, religious influences, geographic overview, and regional diversity in both countries.

Co-sponsors of the lecture series are Torrance Evening High School and the Torrance High School PTA. Admission is \$1 for the series. Other lectures are scheduled on Oct. 16-23, and 30.

Two Thieves Flee With Tools, Cash

Tools, office equipment, and money amounting to some \$4,200 were stolen Sunday from Pacific Builders, 3845 Pacific Coast Hwy.

Two burglars entered the building supply company sometime Saturday night or early Sunday morning by prying open a louvered window and reaching in to open a side door. The take included \$1,100 in small bills plus many endorsed checks payable to the company.

Investigating officers found footprints of one male adult and smaller footprints believed made by a child or a small female adult. Some fingerprints also were found.

Teen Girls To Form New Club

The Lomita Recreation Center, 24428 Eshelman Ave., will conduct an Activity Club for girls between the ages of 10 through 14, beginning Wednesday, Oct. 11. The club will offer the girls a chance to participate in group field trips, to create personal room decorations and participate in discussions concerning fashions, personal appearance, hobbies and current events.

During the course of the school year, the club will plan outings to museums, exhibits, fashion shows and beaches. Ice skating and horseback riding are also planned activities.

Meetings will be every Wednesday between 4 and 5 p.m. under the direction of JoAnn Roberts and Rosemary Zuvela.
